П94 Школа внимания. Методика развития и коррекции внимания у детей 5–7 лет: Рабочая тетрадь.— М.: Теревинф, 2004.— 50 л.

ISBN 5–901599–07–1

Рабочая тетрадь представляет собой дидактический материал, входящий в единый комплект с соответствующим методическим пособием. Комплект содержит описание комплекса учебно-игровых занятий, направленных на развитие способности к планированию своих действий и контролю над ними у детей 5–7 лет. Авторы — канд. психол. наук Н. М. Пылаева и докт. психол. наук Т. В. Ахутина — предназначают данную методику педагогам и психологам, работающим в подготовительных группах детского сада и коррекционно-развивающих классах начальной школы, а также всем, кто занимается или интересуется технологиями развивающего, коррекционного и восстановительного обучения.
